WE ARE BACK!

It has been a little while. We have so much to catch up on! The global pandemic threw unforeseen obstacles our way, but *we are back* — determined and excited to continue the important work of our founder. The Future Aces Creed, created by Dr. Herbert Carnegie in 1955, remains our guiding light; its relevance and resonance more important than ever in today's uncertain world. Growing young leaders of strong character, who are empowered to believe in themselves and their potential, remains our single-minded purpose. Welcome to a new chapter in our history!

REMEMBERING PAUL BRAITHWAITE

Unwavering commitment, kindness, a soft-spoken way. If you ever met Paul, then you would have likely experienced these and similar traits. Serving as President and Board Chair for more than 20 years, Paul's dedication to Future Aces Foundation was evident in all he did. His passing in the spring of 2023 was sudden and tragic. We continue to carry the torch he held so high, for so long, with deep pride and purpose. Thank you Paul. [Read more.](#)

MESSAGE FROM THE BOARD CHAIR

We *all* have a responsibility for how today's youth are raised. It will always take a village. That's my *why*. Since being named Board Chair in the Fall, I continue to be inspired daily, and in new ways, by the enormity of Dr. Carnegie's legacy and the importance of Future Aces' enduring mission. There is an urgency in teaching character and leadership skills to today's youth with bullying, intolerance, violence, fractured families and other divisive themes so pervasive. Amplifying the Future Aces message to more young people is the goal that unites and drives us as a Board. Thank you to everyone who has, is and who will continue this critical work with us.

VIRTUAL PROGRAMS LAUNCH

COVID-19 taught many of us the value of being nimble and adaptable. We addressed that gap in our organization and transformed it into a learning! The result? Future Aces curriculum is available **ONLINE!**

Our programming is:

- Supported by the Ministry of Education
- Developed by educators
- Customized by age
 - Elementary (Grade 4 to 8)
 - Secondary (Grades 9 to 12)
- Focused on character and leadership

We are, of course, always ready to deliver this curriculum virtually or in-person

Create your **Future ACES** today!

REFLECTIONS: 2023 IMPACT

Following a two-year, pandemic-induced hiatus from organizing and hosting educational events, our desire to deliver truly extraordinary experiences only grew!

And we did! Feedback from students, teachers, and others who attended both in person and online were testaments to the power of connection, our engaging curriculum and the knowledge gained. It all began with [ACES SPACES ONLINE!](#)

YOUR SUPPORT BUILDS YOUNG LEADERS

Every little bit counts! Help us empower today's youth with character and leadership education. Your gift could support scholarship recipients, expand access, evolve and improve our programming and so much more. Our young people count on the leaders around them to guide, lift, mentor and give them hope to build the future.

Make your **gift** today!
